

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

July 17, 2007

Amendment to Item 18

Knowledge of and access to quality child care, particularly for those families transitioning off of welfare or involved in foster care, is a critical tool towards ensuring their success and well-being. It has come to my attention that many families are not aware of how to access the subsidized child care system. The benefits of the Los Angeles Centralized Eligibility List ("LACEL") will be more fully realized when families throughout the County have a better understanding of how it can facilitate their access to subsidized child care.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Office - Office of Child Care to work with representatives of DCFS, DPSS, Probation, Public Health, the Chief Information Officer and the First 5 LA Commission to ensure distribution of information on LACEL to communities throughout Los Angeles County, and report back in 45 days.
